

International Clinician Frenk Jespers

The spring 2010 event you won't want to miss!

**Ten Broeck Farm Proudly Announces...
Frenk Jespers
Dressage Clinic & Young Horse Clinic
April 23-25, 2010**

*It's a tradition and great honor...
when Frenk Jespers visits
from the Netherlands he shares a
wealth of international experience at
Ten Broeck Farm in Pepperell, MA.*

Join us for an **exclusive 3-day riding and confirmation clinic**. Frenk Jespers is famous throughout Europe and his native Holland as an accomplished rider, trainer, breeder and judge. Recently, Jespers left his position after serving nine years as a member of the Royal Warmblood Studbook of the Netherlands (KWPN) Stallion Selection Committee to focus more on training.

In addition to attending all the prominent European shows, Frenk is a KWPN judge, trainer and coach to Grand Prix rider Kirsten Beckers (who rides the approved KWPN stallion Jazz) and also coaches the Turkish Olympic team.

This is rare opportunity to learn from years of true international experience. The clinic promises a highly interactive session for auditors when Frenk evaluates the conformation and movement of each horse using the KWPN linear scoring. The crowd calls him a **"wealth of knowledge"**, well respected by riders and auditors alike.

Here's what we've heard from attendees:

- Riders enjoy his very calming style
- He brings international perspective
- He always provides specific direction
- You can get results with a quieter state of mind
- He explains what's important to a judge
- One word..."Fabulous"

Frenk brings a unique combination of expertise to the arena. **His astute eye for conformation and breeding experience is transferred under saddle** where riders can benefit from his profound feedback. He also spends a great deal of time evaluating each horse for confirmation and explains in detail as he goes.

- **Advance registration is required** to guarantee your entry.
- **Auditors are welcome** and receive pre-registration discounts.
- **Join us for dinner and cocktails!** *Enjoy a more intimate gathering, a great opportunity to socialize and visit with Frenk during a fabulous evening.*
